Cuba. OX CARTS.

LL2293

By Appointment.

POST CARD

CARTE POSTALE.

POSTKARTE.

Ox Carts. There are several methods of transportation in Cuba, and not the least interesting is the ponderous ox cart, with wheels like great millstones and other gearing in proportion. These carts are of prehistoric origin, and are commonly used for heavy draying. In climbing steep hills, four ox teams are frequently employed, and still another team is placed in the rear to assist by pushing.
